

John F. Kennedy 1980

Dear Alvin,

I am a 45 year old widow in love with my sister. Please help me, my mother's getting jealous.

Love's

I had to come up with an unusual problem to strike your interest. I want to thank you for all the help you've given me on all my written endeavors, especially the play. You've given me heaps of encouragement and perhaps I will need a new hat size, although I never wear hats, maybe I can start. I know I'm a millineress! What am I rambling about now? Good luck at U.W. and maybe I'll call you up in the summer to solve my problems or give me some encouragement!

Sincerely

Phyllis 723-8289

“People
often look
but
never really
see the light
of friends
around
them,

the light of
help and hope

to free the dreams
of a long-awaited
destiny.

People
often listen
but
never even hear
the words
you long
to tell
them.

Sounds of laughter
joy and pain;
sounds to drive away the
burning hurt of fear
that is engraved
in each and every brain.

You can
try to touch
but never
get the feel
of people who are
plastic, cold,
or of the warmth
of those so real.

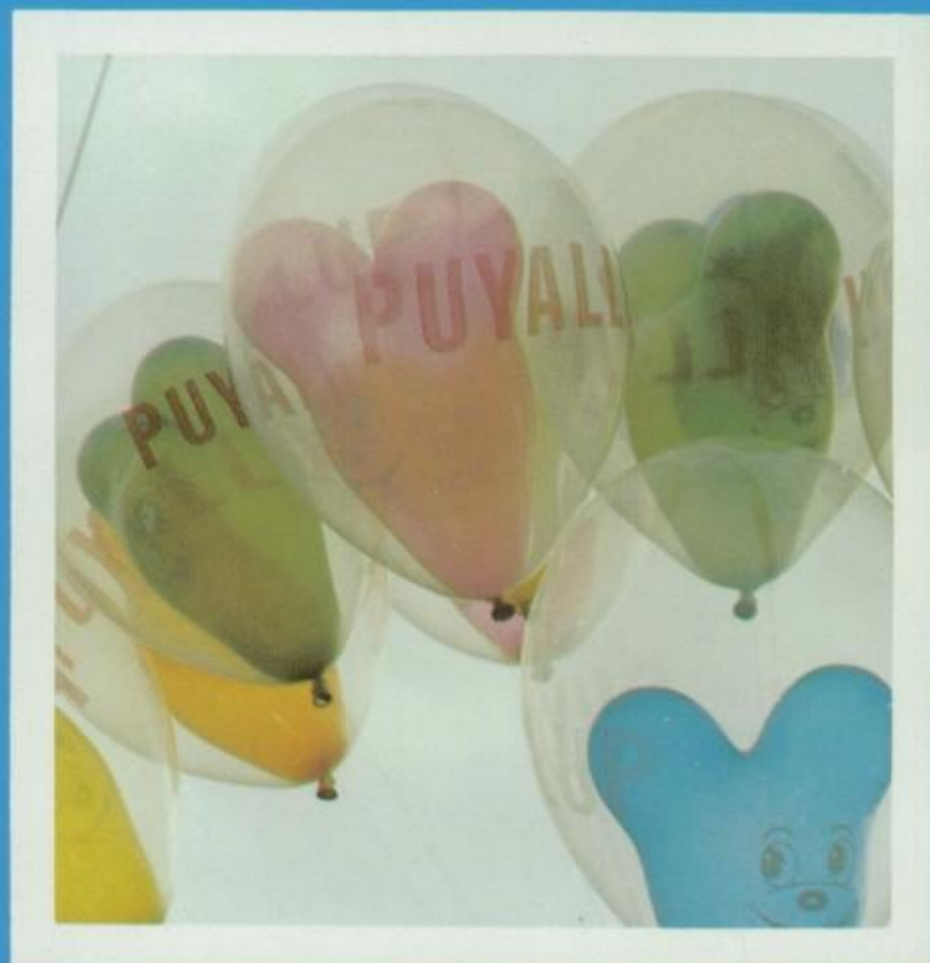

Friends
are sometimes
hard to find,
but
not if you realize
they are there;
one must not be so
blind
as not to let them
show they care.

So open your eyes
and feel
the pleasant breeze of
newly formed desires;
feel the raging calm
of seas and those
of fires.

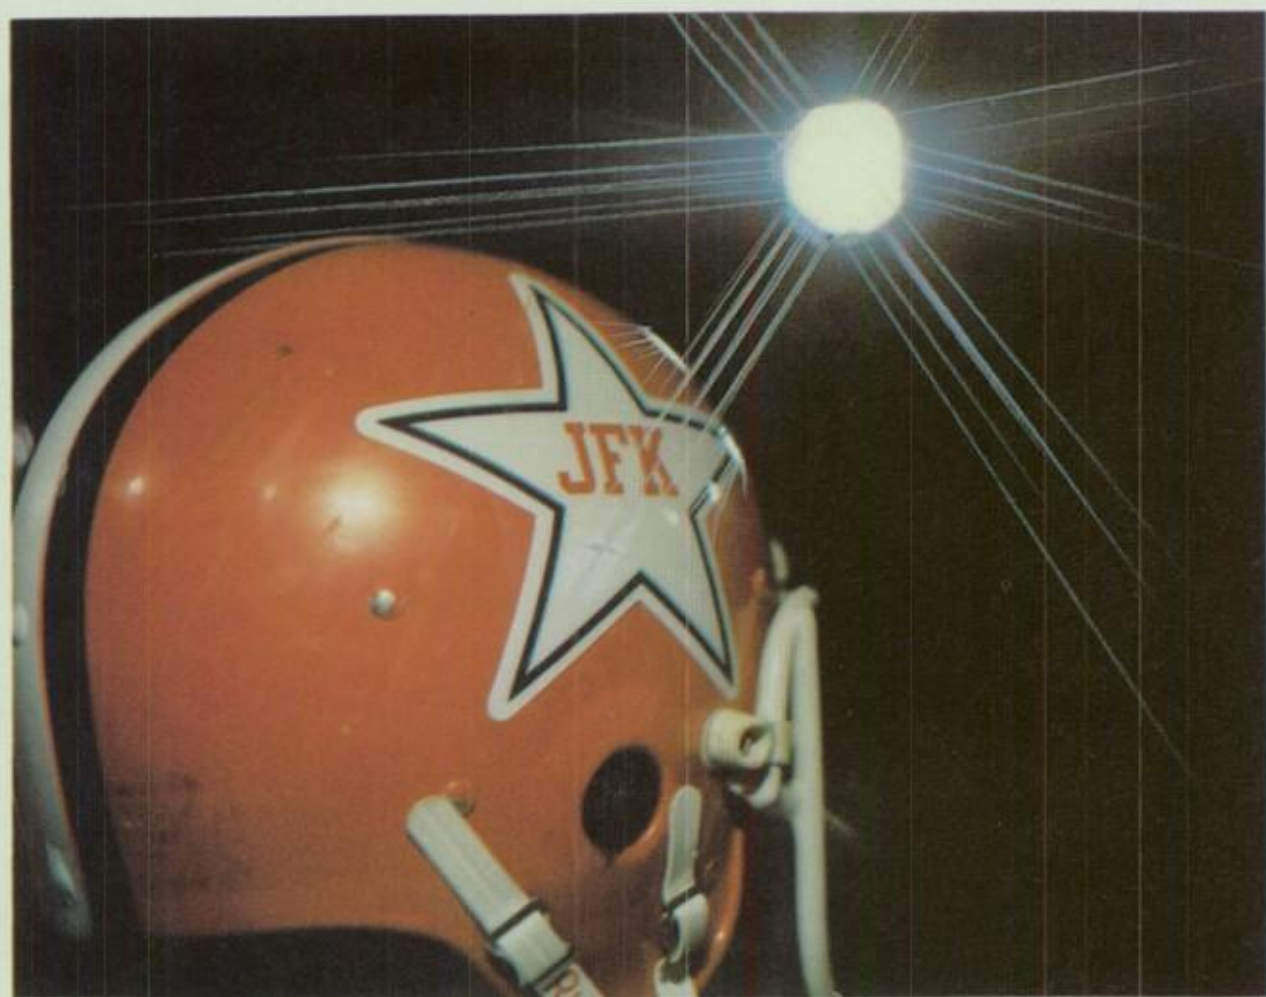

Forget
the cruel, fake paraders;
they don't
mean a thing.

Enjoy
the fresh new excitement
the wind of change
can
bring." —Louis Shane

We Express Our Spirit Lancer - Style

"Hey! That Frosh is fighting back! Can he do that?" Another high powered Spirit Week begins at Kennedy. Bright colors and wild costumes roam the halls on Red, White and Blue Day.

The Mass of the Holy Spirit reminds everyone of the many forms school spirit can take. The MIGHTY Seniors roll away with the Spirit Keg at the skating party.

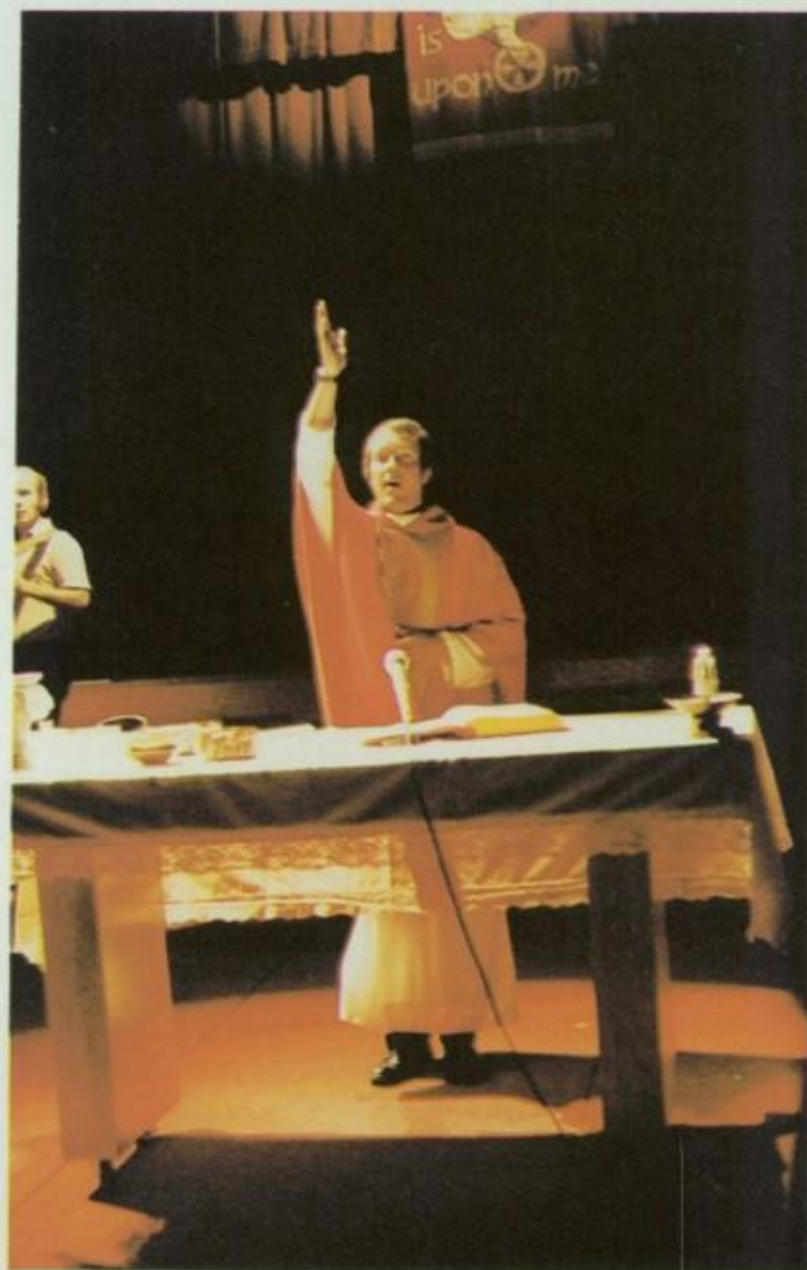

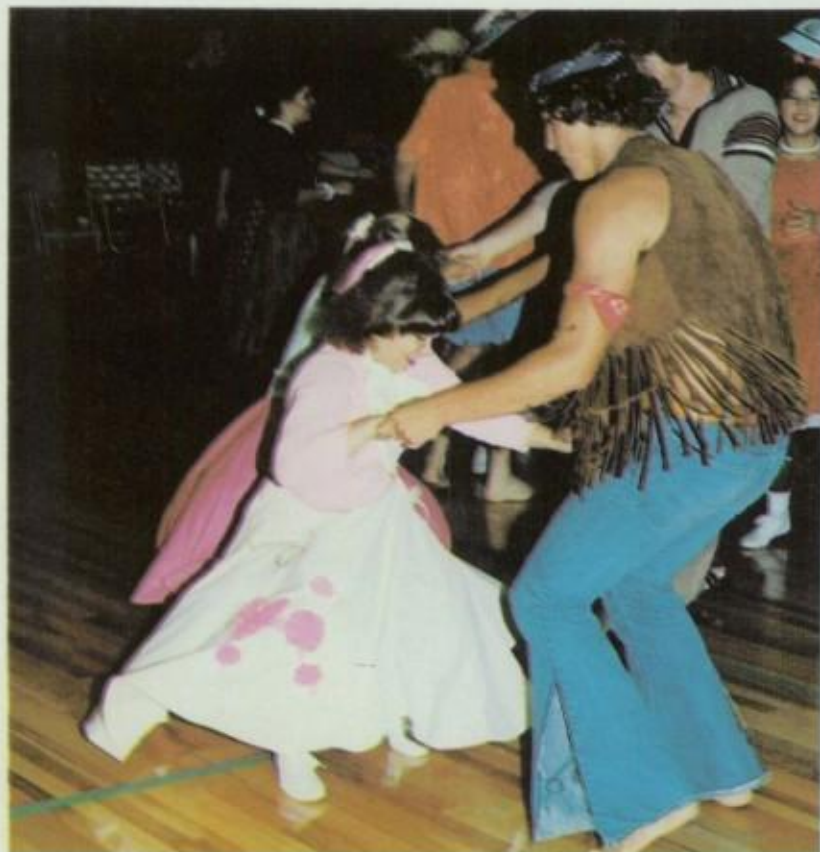

Frosh day is easily the most action packed day of the year. "Will they survive? Who cares?"

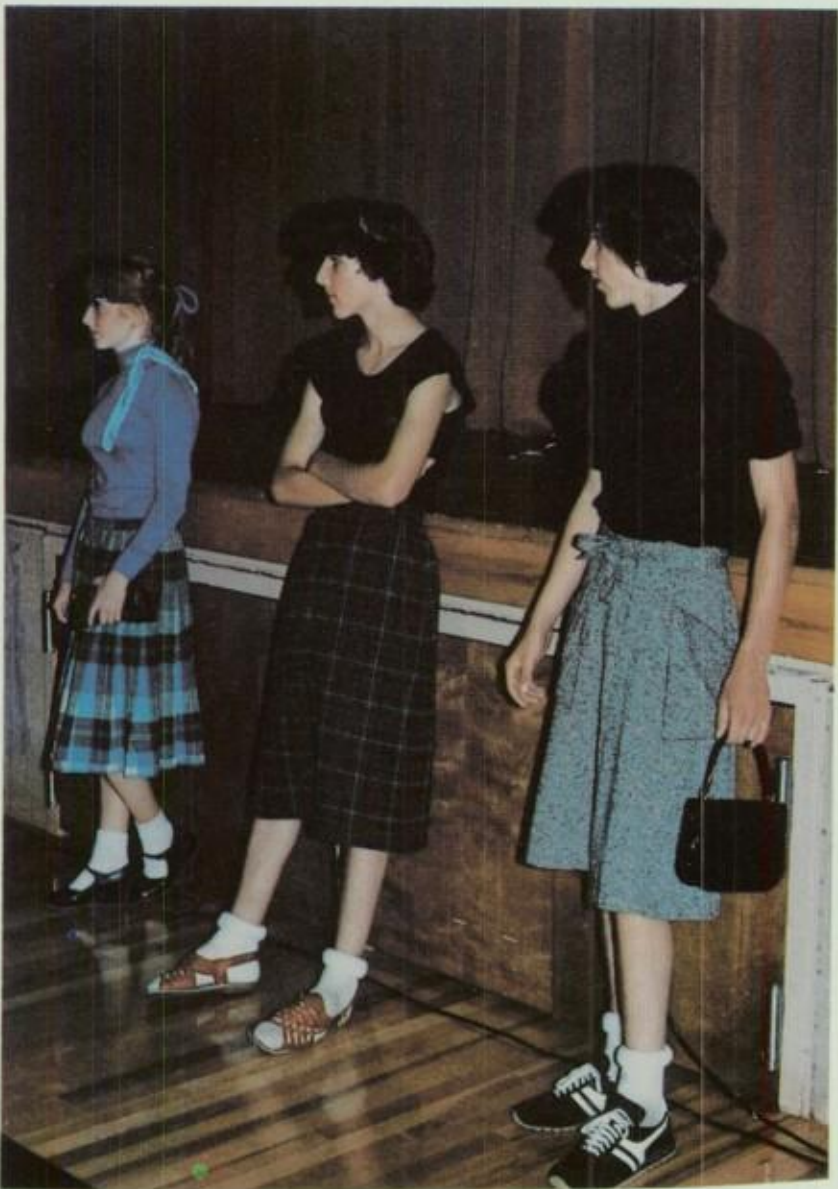

Zink noses, polaroids and bermuda shorts are everywhere as the "tourists" make the scene on Nostalgia Day.

"I Could Have Worn Jeans!!" wail the underclassmen as the school prepares to do the Puyallup. Small cars and crowded busses, the trip down is almost as fun as the fair!

The 16 to 3 win over Hazen and the Grub Tolo bring Spirit Week to an end.

The action, the events, the excitement and the closeness are all a part of the LANCER SPIRIT!. D.H.

Homecoming 1979

"More Than A Feeling"!

Roller skating ups and downs!

"Oh no, I ate too much at Oktoberfest?"

Fr. Marmo, choir voices, Lancer gifts at Mass. Waves of red, white and blue at the BIG assembly.

Presentation of the Court—Queen Erin Abdo, Madeline Miller, Karen Anderson, Patti Sherman, Joan Rodaway, Dawn Gray, Kelly Holsman and Betsy Barr.

Mighty Lancers destroy Mr. Rainier 48 to 13!

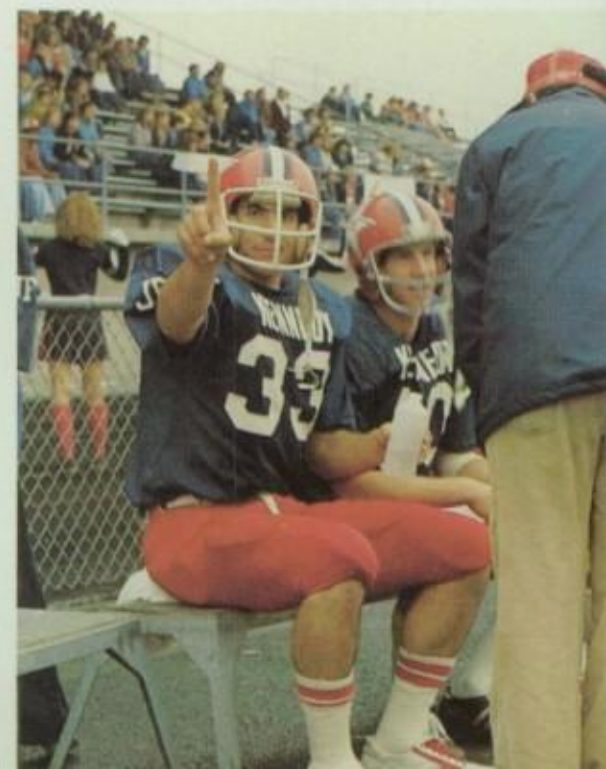

Sparkling tiaras, cheers, colorful halftime.

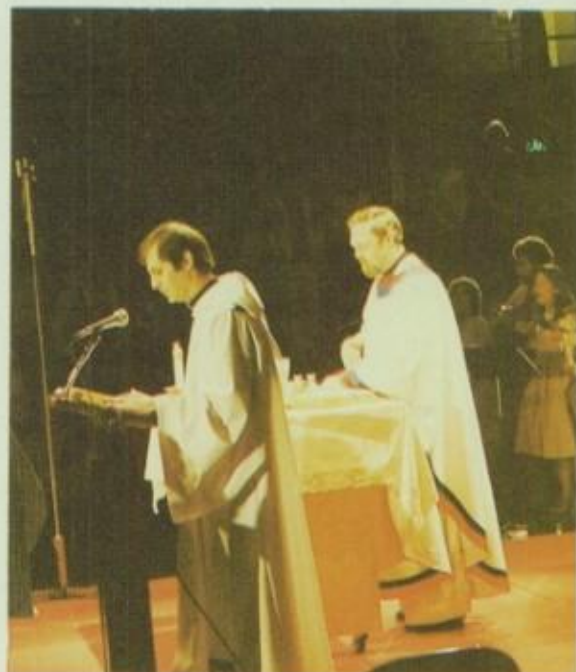

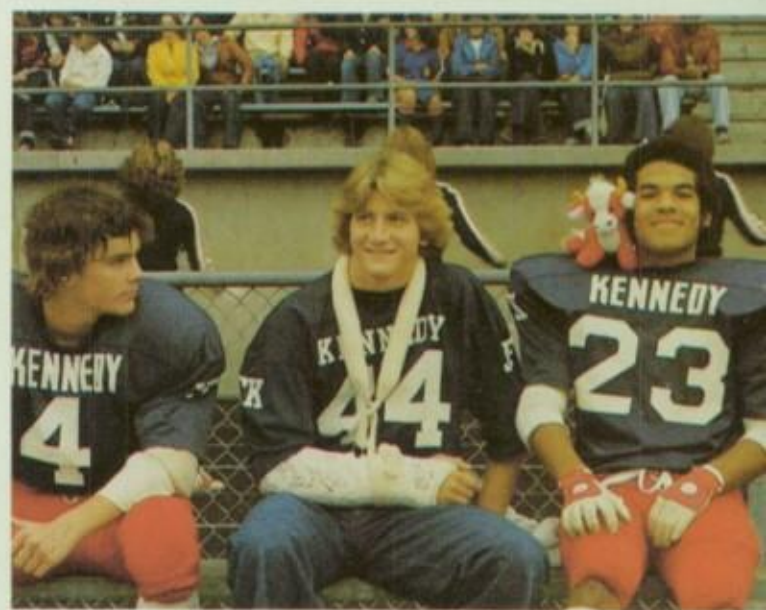

"He asked me, FINALLY!"

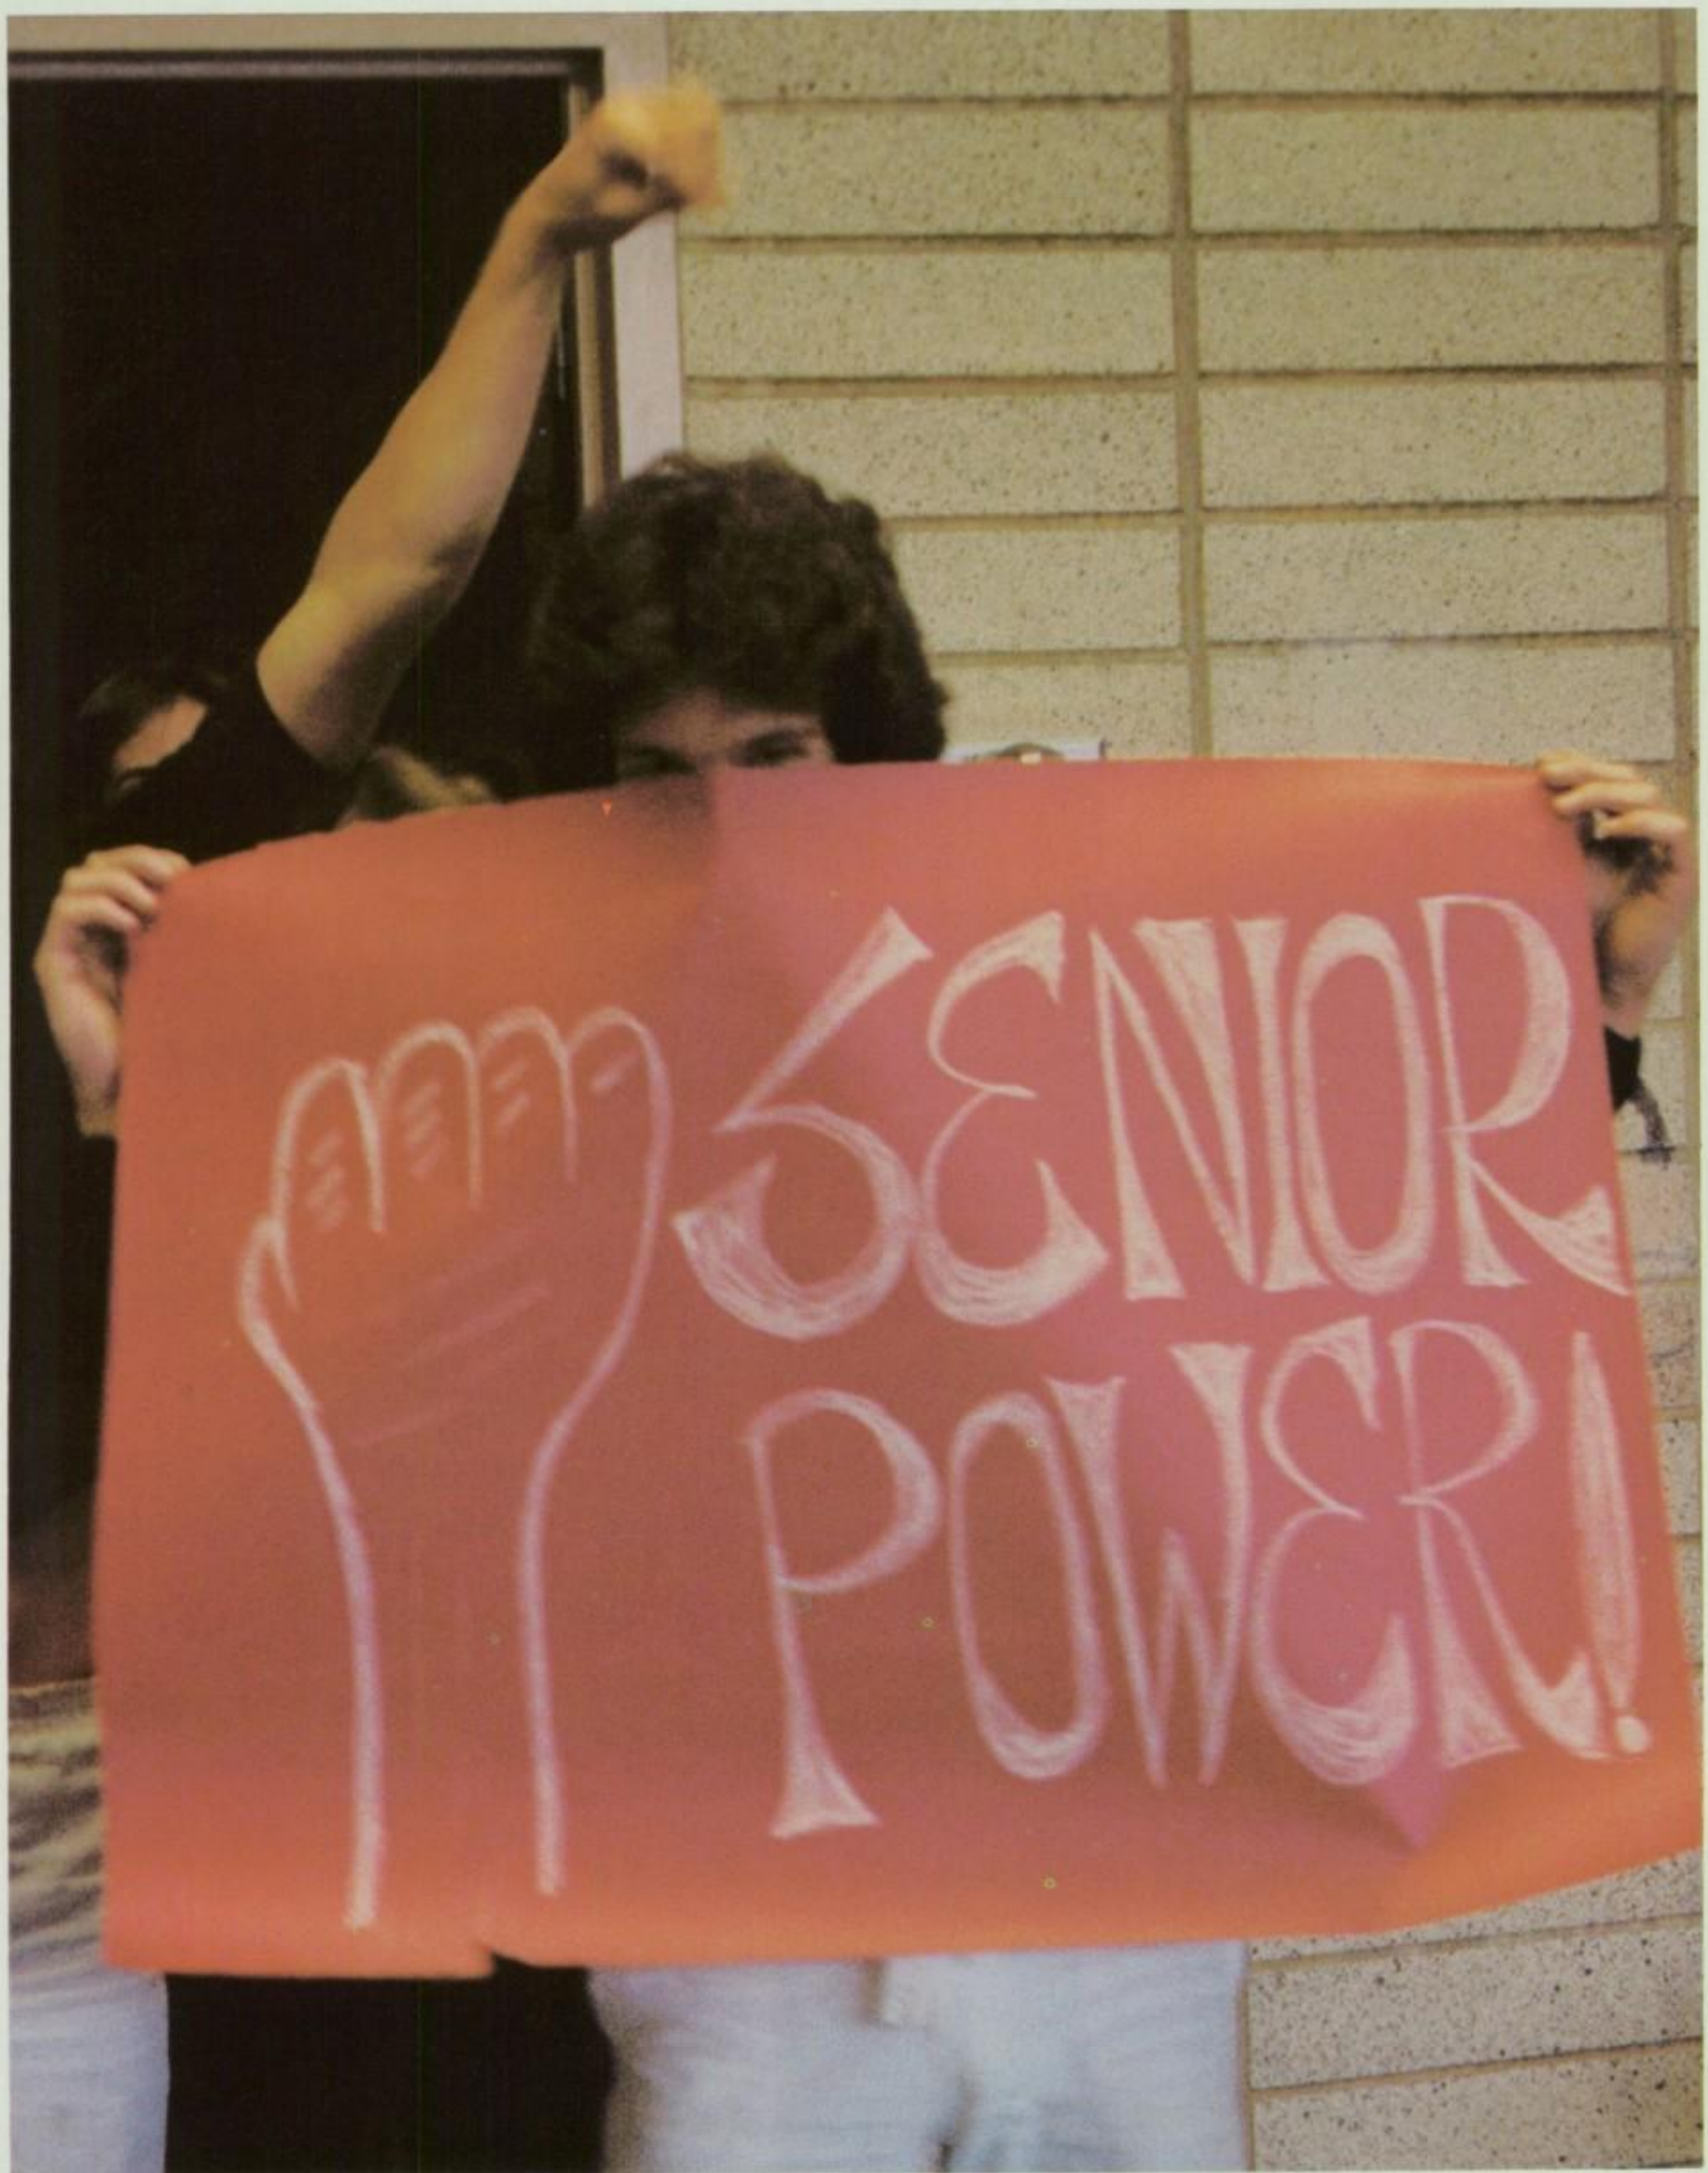

Dancing the night away to "United Flyte"!

CLASS OF 1980

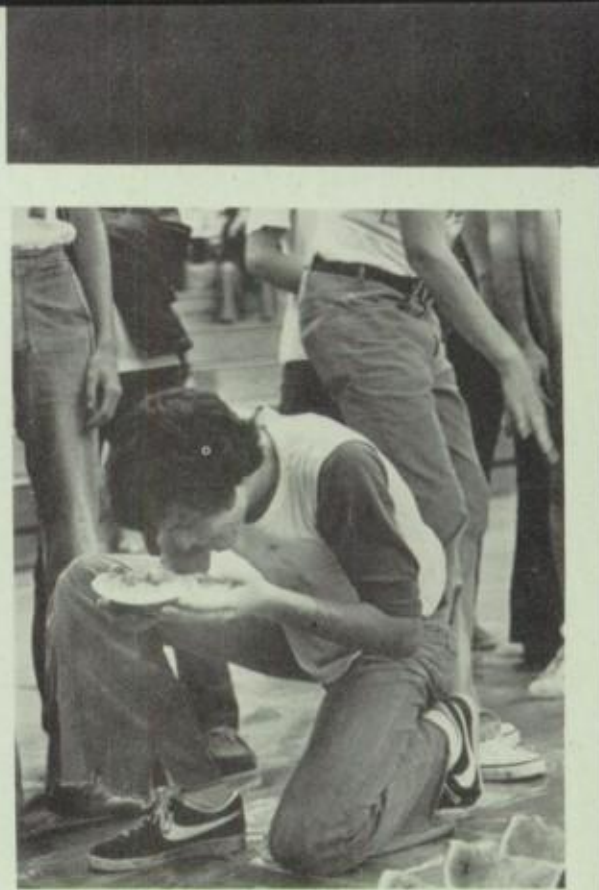

No one will forget the dynamic class of 1980. Starting out as confused Frosh and working up to Mighty Seniors ... time moves swiftly by and soon, the year is gone ... graduating and moving on.

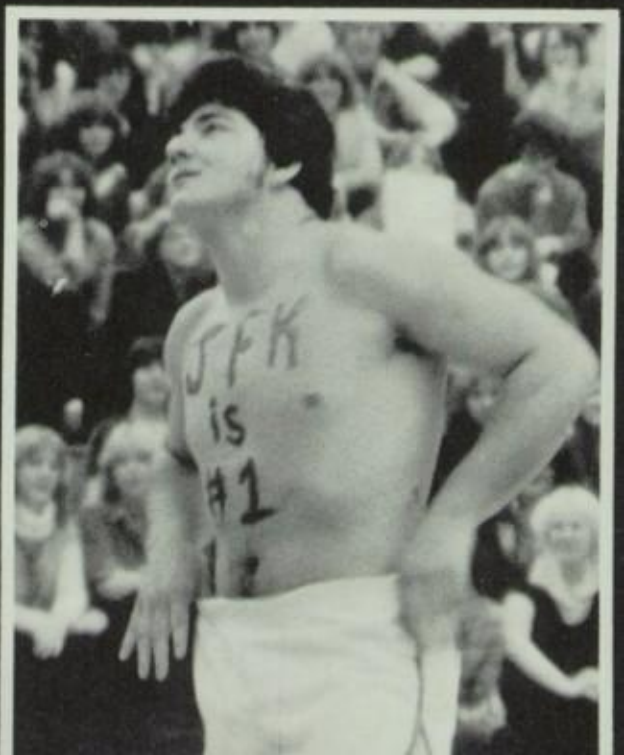

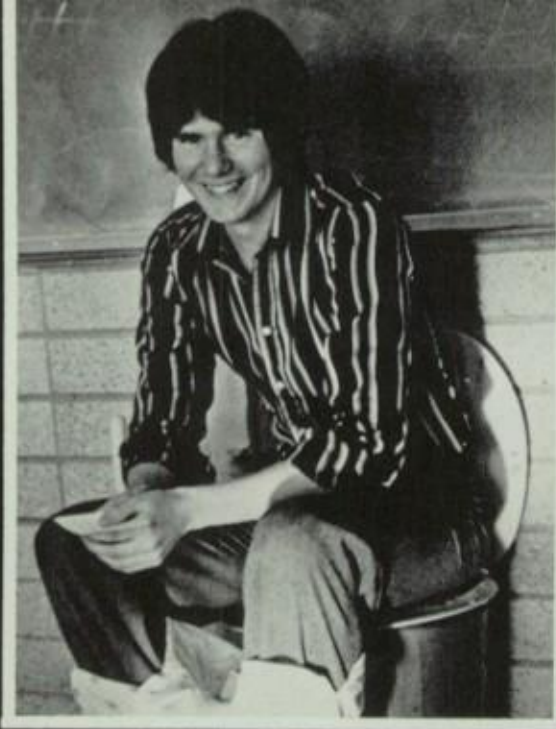

Never-ending spirit, leadership and class, fun times, laughing and sad times reflect the years behind us with the challenges and goals still before us.

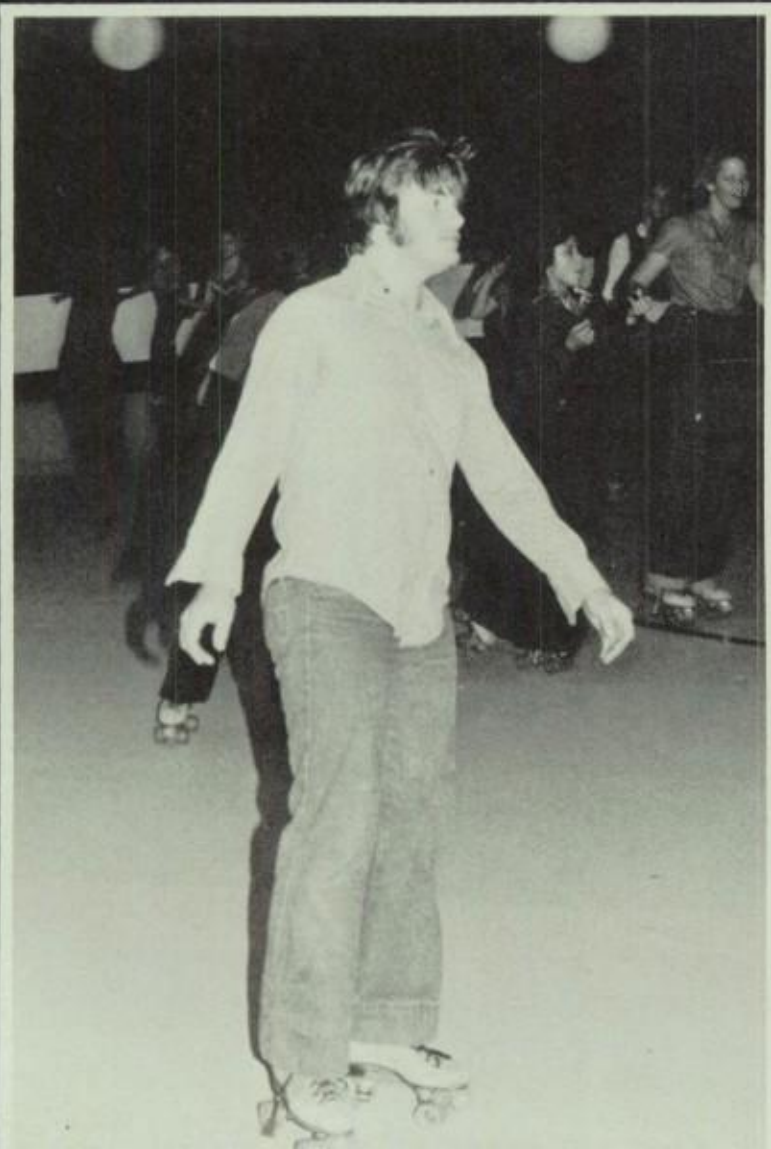

"I feel as though I really grew this year, helping me to take that step in the future!"

Warm feelings from tender moments. Those times we can't forget ... linger on ... and on ... remembering the Class of 1980. L.S. & L.S.

FALL

Oktoberfest Is A FEASTive Occasion

Chocolate Mousse... Sauerkraut... Taco's... Quiche... Strudel... Paella... Eclairs... any French, German or Spanish dish you desire, that's what Oktoberfest is all about. The international festival of foods and drinks is held annually with this year being overwhelmingly successful. Ms. Von Veh, coordinator, says, "It helps get people acquainted with food from other countries and raises money for the language department." "The food is fantastic," comments one student between bites. Friends, parents and faculty get together to try food they have never seen or heard of. Oktoberfest provides a menu that fulfills all tastes. To sum it all up, it's more of a feast than a famine for all who go. M.K.

1. Dawn Small, Patti Hoffman and Shella Sullivan make one heck of a good sandwich. 2. Paul Eastey tries to appear nonchalant in the presence of Susie Canale at the Oktoberfest. 3. Is Spanish or Mexican food your delight? 4. Chris Simpson **FINALLY** gets asked to dance? 5. The doormen are not totally successful in keeping the "Can-Can Girls" out of Oktoberfest. 6. Another gap to fill for Marielle Smith. 7. "Here, if you're still hungry, Ms. Longbottom, my fist might be tasty!"

Lancers CRUNCH To A New National Record

"Letters, phone calls! 'A case of each—great!' " The annual Kennedy Chocolate Sale is here once again filling everyone with the thought of "How would you like to buy a candy bar?" Some wild and crazy teachers "update" the student body in their skit from Saturday Night Live.

Distribution, extra-long homerooms and then redistribution! Another great year for the Lancers and another new National Record of 90.17 bars per student!

What's the key to Kennedy's great success? "The full support of the student body and the motivation of the homeroom teachers," -Mr. McDonald. "How many candy bars did you say you've eaten?" S.T.

1. "One more case to go," groans Michelle Emch. 2. "Jane" Caldwell and "Bill" Armstrong listen as "Rosanna Rosanna" Hardy gives a Chocolate Sale update. 3. "What do ALL these numbers mean?" Jim Simone asks himself. 4. Mark Tronca shows his enthusiasm to sell chocolate. 5. "You want us to sell HOW many more candy bars?" question top sellers Mark Soccio and Sally Goodwin of Mr. Poginy and Mr. MacDonald. 6. "Good to the last bite!" smiles Gordon Chinn.

Halloween Keeps 'Em Buzzing

"Watch out! Killer Bees!" cries a Freshman. Halloween is here again and the spirit is getting BUTT-ER and BUTT-ER! Everyone is truly BEWITCHED with the spirit of Kennedy. Incredible Hulk... Champion Skiers and the Breakfast gang... dressing up is as much fun as seeing others on Halloween.

The cheerleaders TREAT the Student Body with a TRICKY routine which brings out the SWEET side in everyone.

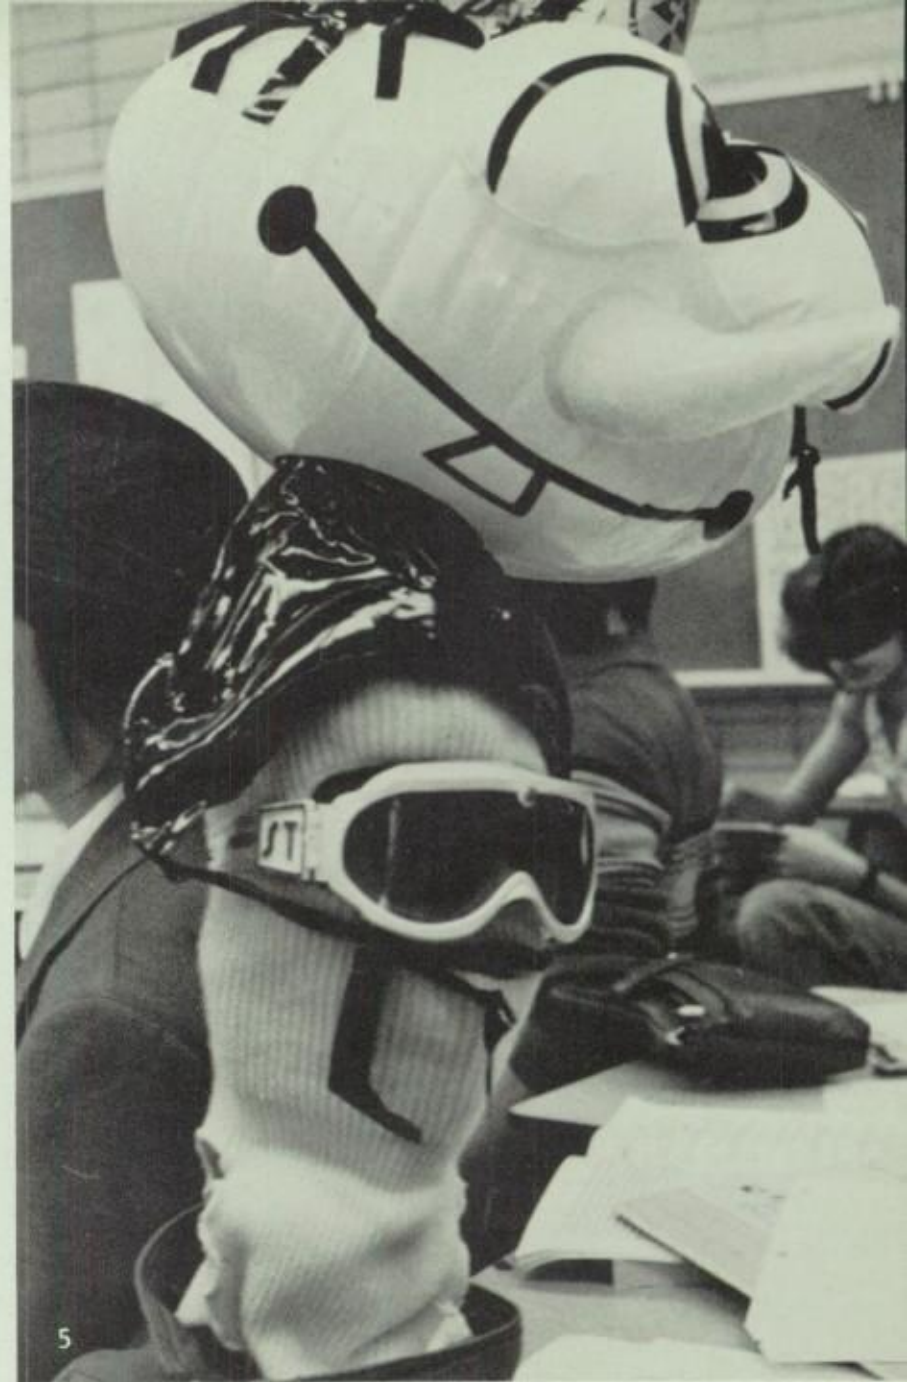

"Would you look at those hideous faces?" No, not the students but a pumpkin carving contest where only the strangest face wins! The Drill Team visits OZ as they "Ease On Down the Road" until they meet up with the Pep Club in a "Monster Mash."

"I can't believe all these people dressed up the same, but after all, what's BUTT-ER than dressing up like a family?" C.C. & D.H.

1. Terry "Crockett" McConville gets ready to make "tracks" for the door while Tracy Williams bites the bullet. 2. "So be it for you, Frank Coluccio," says high priest Mitch Blondin. 3. Even on Halloween, Seniors don't give Frosh a ghost of a chance! 4. John Larsen has got nothing to hide! 5. Two heads are better than one! 6. "Eric will eat it, he eats anything!"

Boys' Cross Country's Not Running on Empty

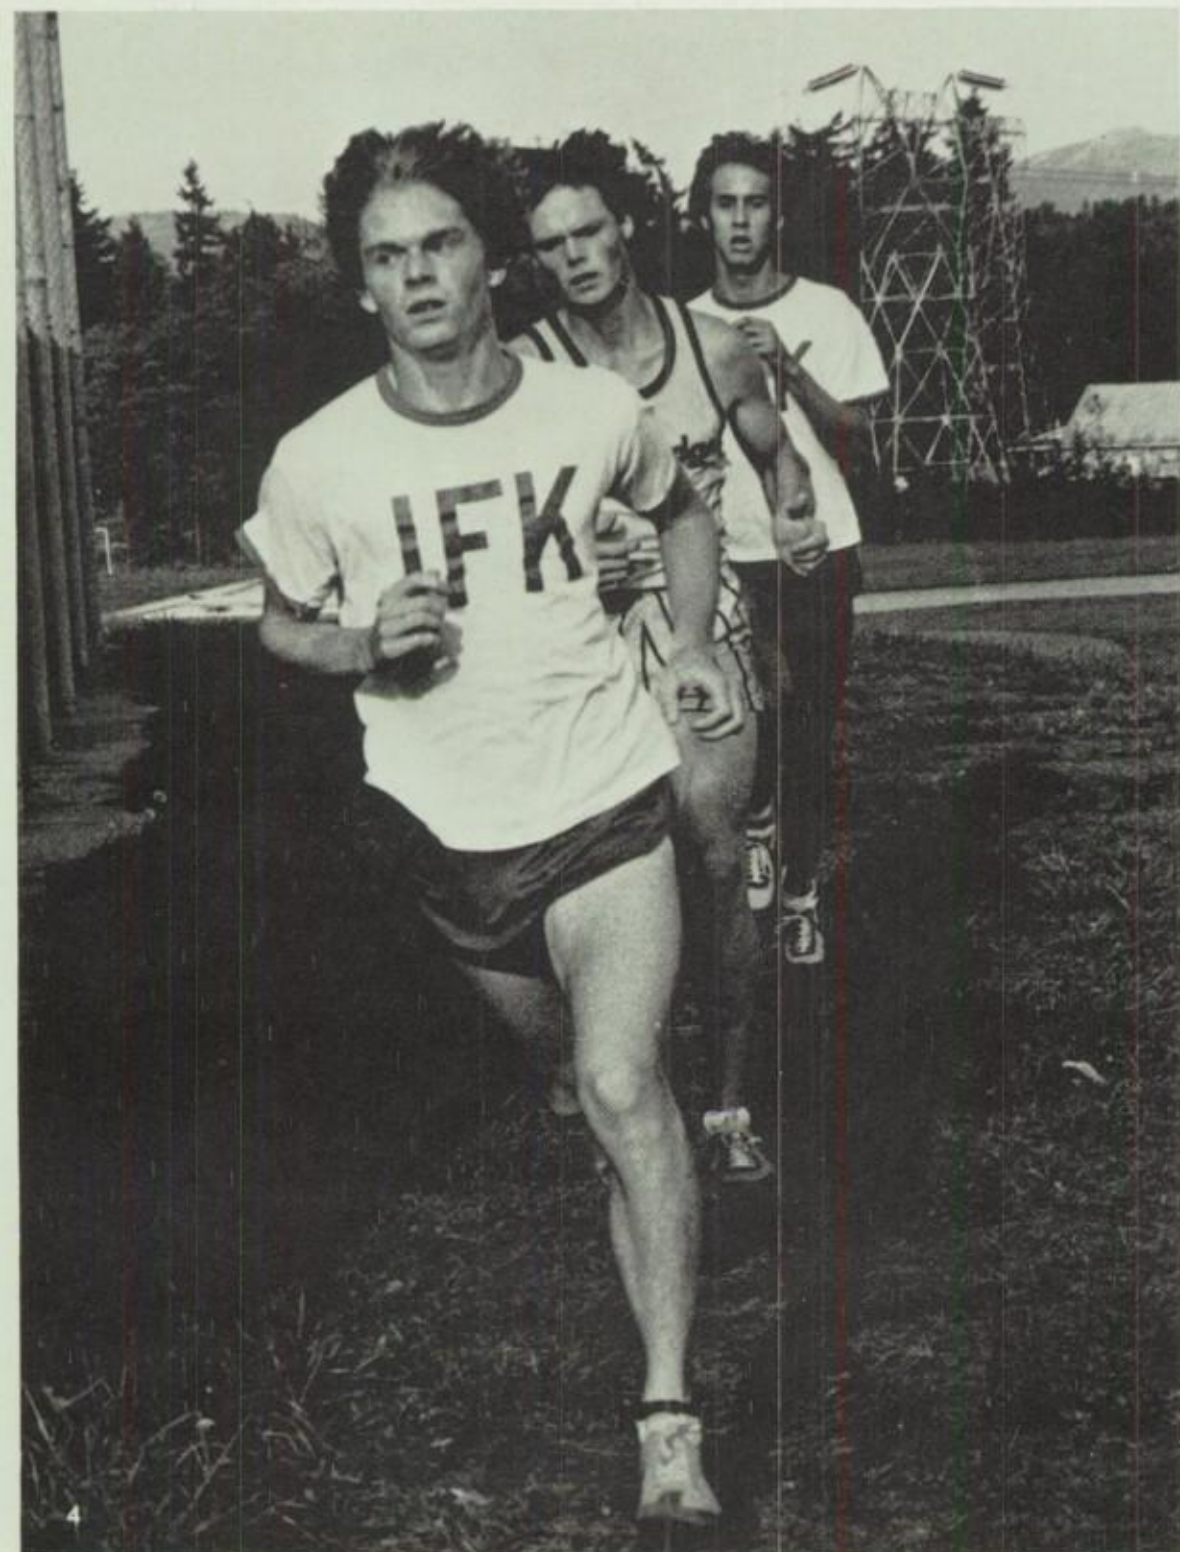

Saturday morning... Play tennis? Go shopping? No! It's eight miles at a hard pace for the Boys' Cross Country team under all weather conditions. Run those hills! Work! Work! Harder! Personal best? 17:32, not bad!

Thirty-two miles a week leave the team with a 5-4 win-loss record. Seniors Ed Murphy, Rodin Punsalan, Craig Sargent, Mike Defuria, John Fitzharris and Joe Riley support the team. Which loop today—Airport, North or West?

"Cross Country is a battle between self improvement and self deprovement," says Coach Paul Muckerheide.

"Sleeping in on Saturdays?" "No, I'm running..."
D.H.

1. **Ed Murphy charges for the lead** in perfect form. 2. "I just washed my hair and I can't do a thing with it!" reflects Hans Brevik at the start of a meet. 3. The 1979 Boys' Cross Country team. 4. Mike DeFuria and Dan Carmody set the pace for the Kentridge meet. 5. "Give me Gatorade or give me death!" declares Mike Capetto at the end of a race. 6. Mike Paynton and Mike Capetto make the last turn toward the finish. 7. Mike Fitzharris and Joe King give the camera one of their more attractive poses!

Girls' Cross Country Trots To Third

"How can I ever make the eight hills ahead of me?" "Can I survive all this running?" Thoughts of "I can," "I can," "I can," "I DID!" help the Girls' Cross Country Team achieve the best record ever at J.F.K. since 1974!!—a tie for N.P.S.L., first in West Central District and third in state!

This year's team runs away with an 8-1 season record! Gina Hanson sets the pace for the team's success while Seniors Madeline Miller, Kathy Semandiris and Vicki Stuth inspire the team to keep on truckin'! Assistant Coach JoAnne Bubacz and manager Carol Moshofsky give the team the much needed moral support that keeps the girls ahead of the pack.

"Every one of the girls is a lifter, no one is a leaner," says Coach Paul Muckerheide. "How many miles is it from Seattle to San Francisco?" J.G.

1. Vicki Stuth takes a leisurely stroll through Kentridge's woods. 2. "Look, it's JOE KING!!" 3. Chris Pollinger and Cathy Santini lead the team to a first place victory at the District meet. 4. The 1979 Girls' Cross Country team and mascot Doug Wolf. 5. How does Gina Hanson spell relief? W-I-N-N-I-N-G! 6. The Girls' Cross Country team brings home a second place trophy at the Shoreline Invitational Cross Country meet.

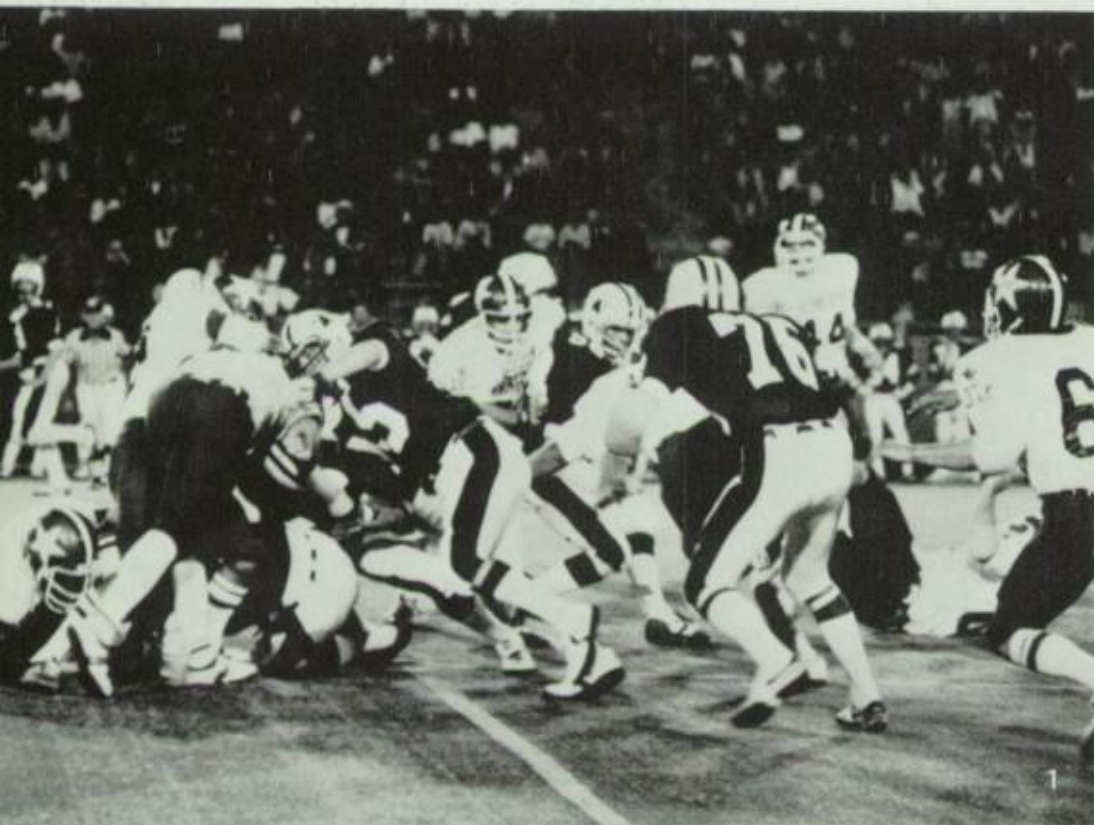

Varsity Lancers Fake Left And End Right

The season opens...daily doubles and haircuts for everyone...HUT! HUT! HUT! "Morale is high this year for the team," says one senior...a new offense...Run and Shoot... "Are you SURE you've got the right sport, coach?" But whatever it is it works...a 7-2 season record! A victory over Auburn starts the ball rolling... "All the way down the field, hey let's go...HOME...it's raining!!" Practice...Practice... "Give it all you've got!" Another tragic loss to Evergreen...but this proud Lancer team under the SUPERIOR guidance of head coach Tom Merrill and assistant coaches Bob Bourgette, Dave Danforth and Jerry Bentler rally back to down five straight victories in a row! Equipment manager Paul Kangas safeguards the team while keeping tab on pads!

The Mt. Rainier game brings on all time N.P.S.L. rushing record and the cowboy hat for Senior tailback Brenno Defeo! A must win game against Renton...the Lancers charge through with a 16-10 V-I-C-T-O-R-Y after two overtimes.

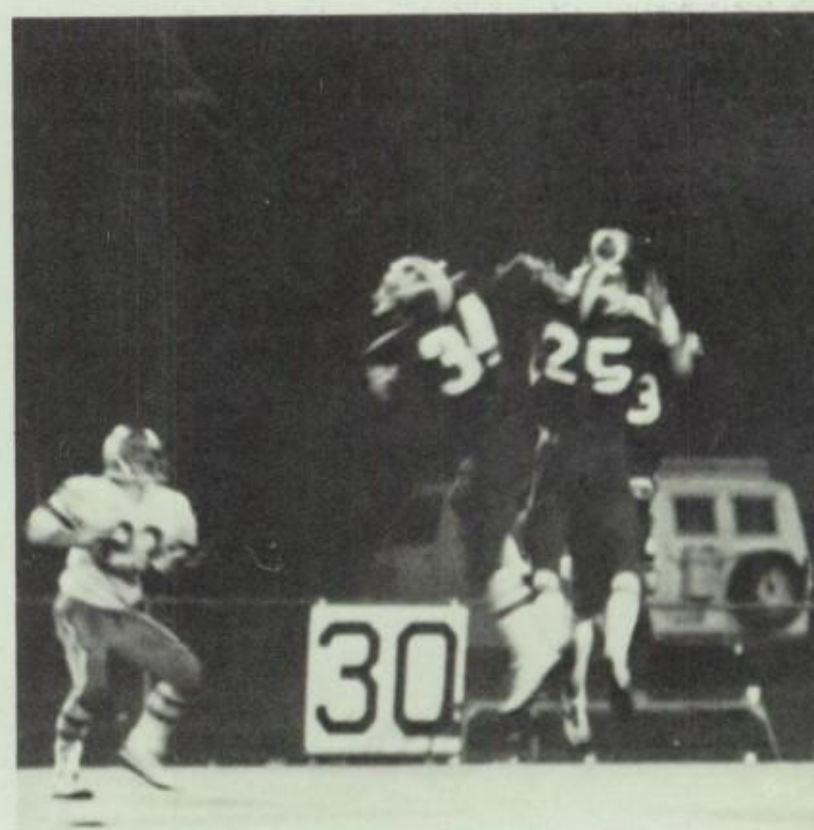

Hopes for an N.P.S.L. title are sacked momentarily when the Lancers succumb to Kentridge 20-17 in overtime but luck is on our side with a three way tie for first place! A Tuesday night game to decide the winner—"We've got spirit, spirit we've got!"...and it shows! Anxious Lancer fans fill the stands of Renton Stadium to root their team on to a first half 10-7 victory over Kentridge! But, oh no! What's this? A second half loss to Renton...a 0-7 shut out!

The season ends...but don't worry! These GANGSTERS are on the Wagon Train Reverse and they're just beginning to MAKE TRACKS!! S.G.

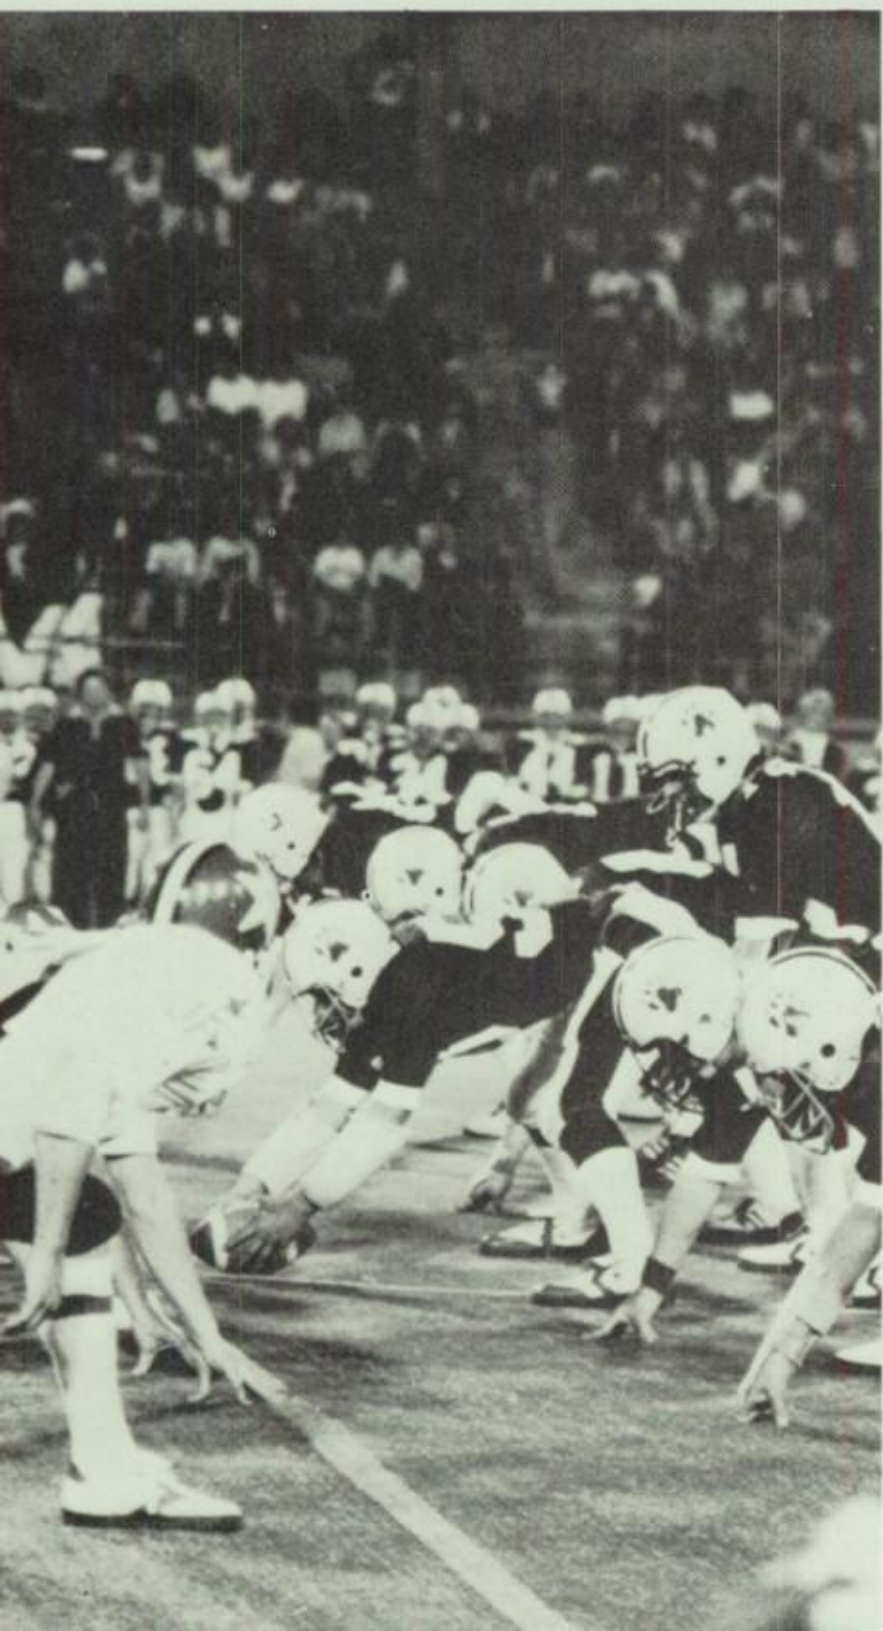

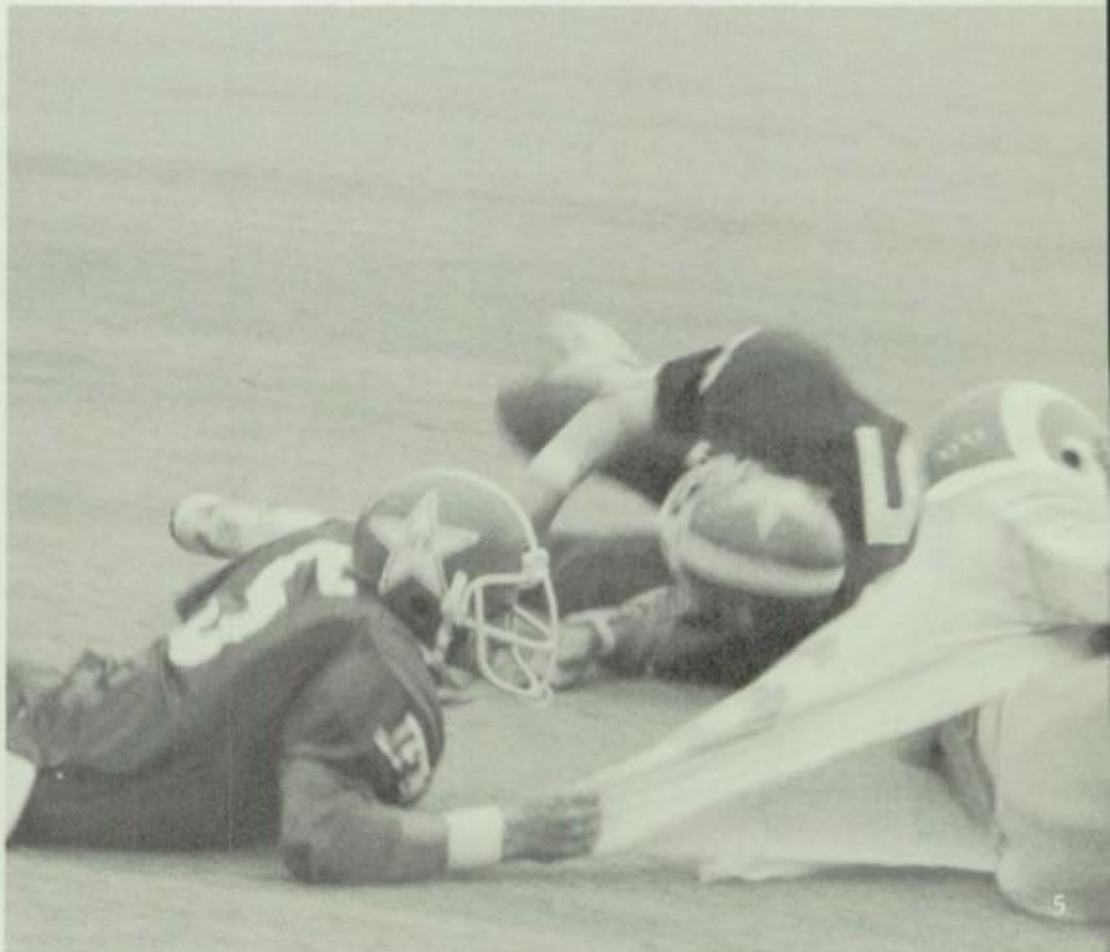

1. Football men, not PIG-PILE! 2. "There were four on the bench and Brenno said, 'Move over, move over!' So, they all moved over and Darryl fell off..." 3. Quarterback Mike Velling gets ready to unload another winning pass. 4. Two thousand, six hundred and nine yards later, Brenno Defeo keeps on rushing! 5. "You, you, you, you..." chants Head Coach Merrill! 6. I thought "BUMPERS" closed months ago?

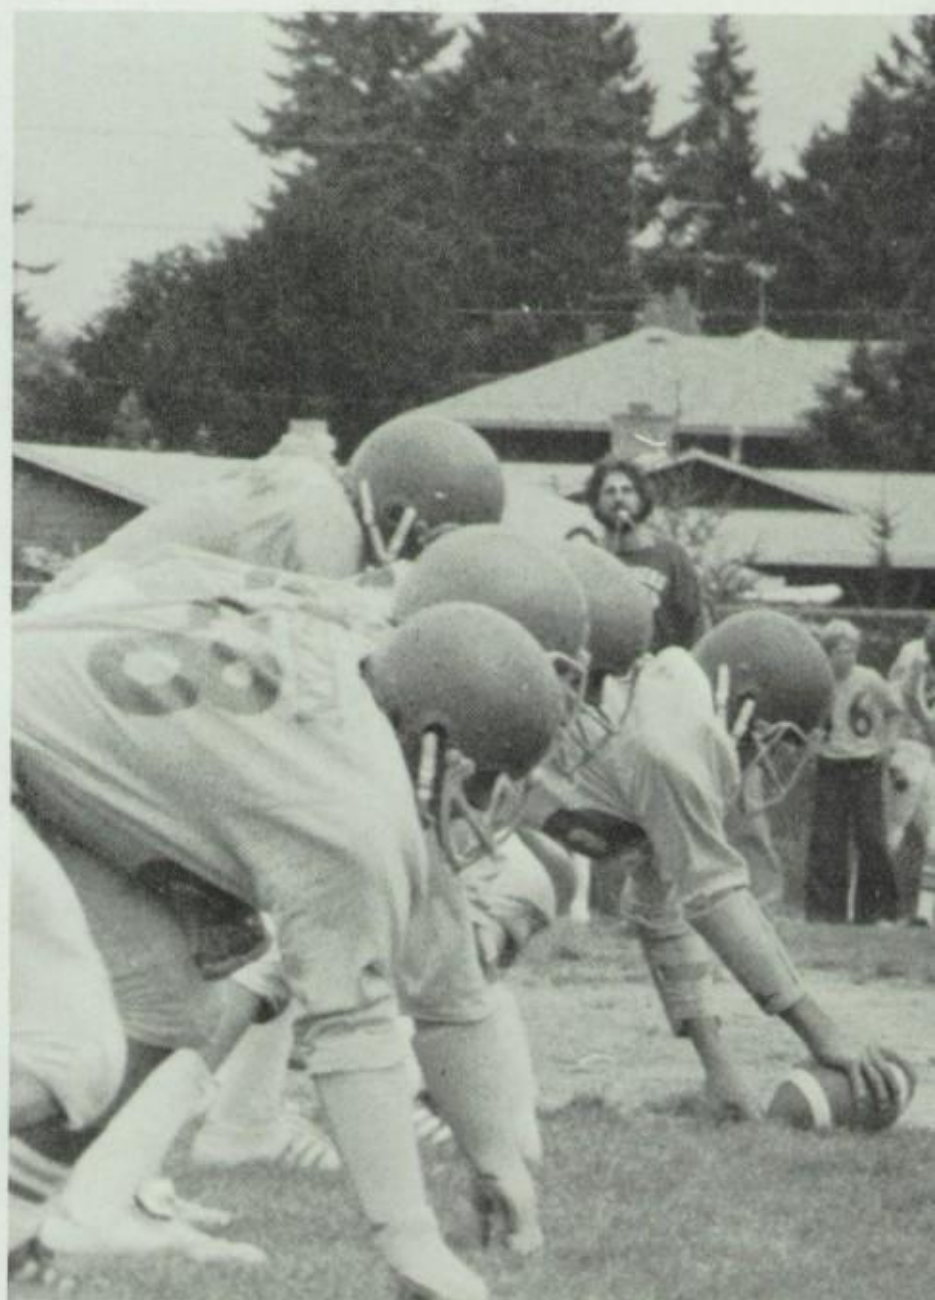

1. The 1979-1980 Lancer Football team. 2. Water girls Joey Dore, Nancy Newgent and Cathy Brinck await with anticipation for another Lancer victory. 3. The mighty Lancers prepare for the attack on Evergreen. 4. Lancers on the loose! 5. George Bailey hangs on for a free ride across the field. 6. The Lancer fans never give up hope!

Underclass Teams Fire Up For The Future

Off Tackle Right, HIKE! TOUCHDOWN!! The J.F.K. Freshman Football team shows its stuff. Mr. Ryan, Mr. McKinney and Mr. Naish coach the team through a great season with a win-loss record of 3-3. "A good attitude definitely gives this team great potential"—Coach Ryan.

"Snap, Set! Field Goal!" The Sophomore Football team, with the coaching of Mr. Lutz and Mr. Scott, "PASS" their way to another improving season. Playing in the N.P.S.L. J.V. league, the Sophomore team, with a final record of 1-7, gives it its best for a good season. Despite being out-manned in every game, the team continues to have a "P.M.A.", Positive Mental Attitude. Watch out N.P.S.L., the J.V. Lancers are are moving up. S.T.

1. Willie Castonguay runs for a touchdown. 2. "Peek a-boooooo! I seeee you!" 3. "13, 29, 44, hut, hut, hut!" 4. "Which way did he go? Which way did he go?" 5. Brian Flood boots a quick three points for the Sophomore football team. 6. The Freshman football team is a "smashing hit" this season.

Girls' Swim Team Is Depth-Defying

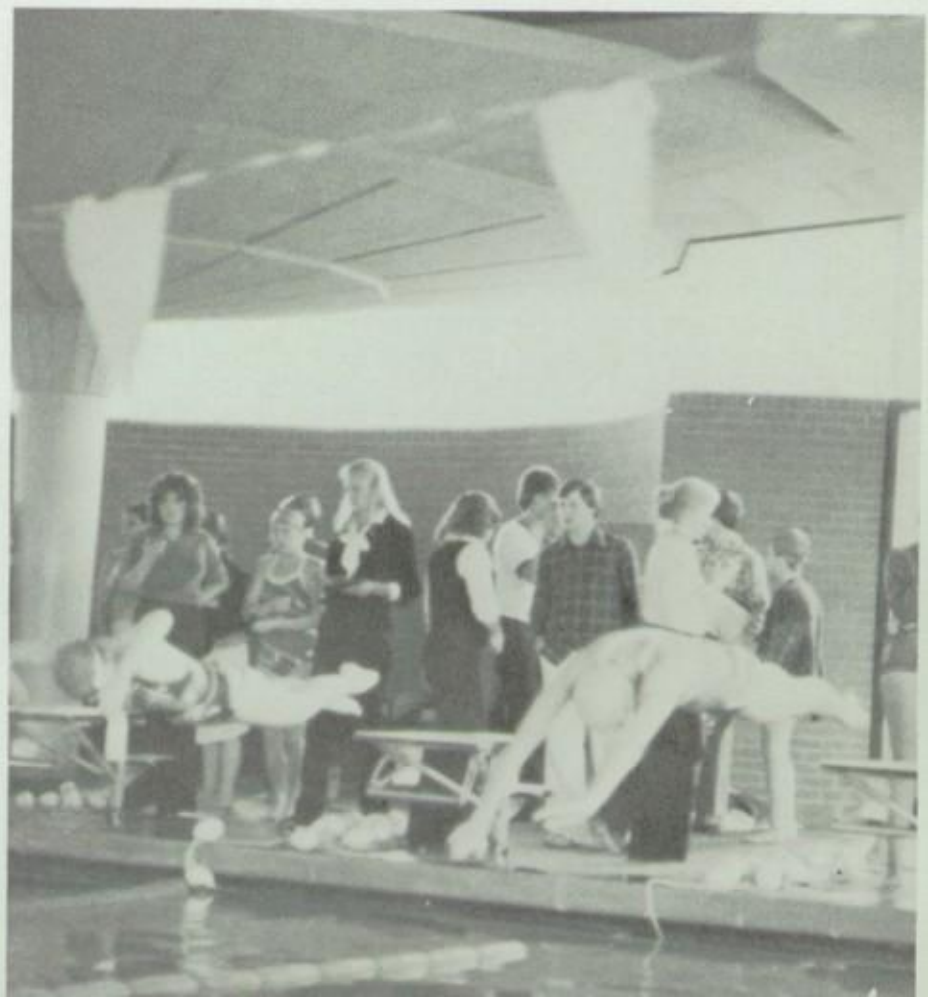

"Splish - splash! We're taking a bath," relates the J.F.K. Swim team. With a win-loss record of 6-3, third place in the N.P.S.L. finals and second place in the Regional event, the Girls' Swim team finishes still another successful swimming season.

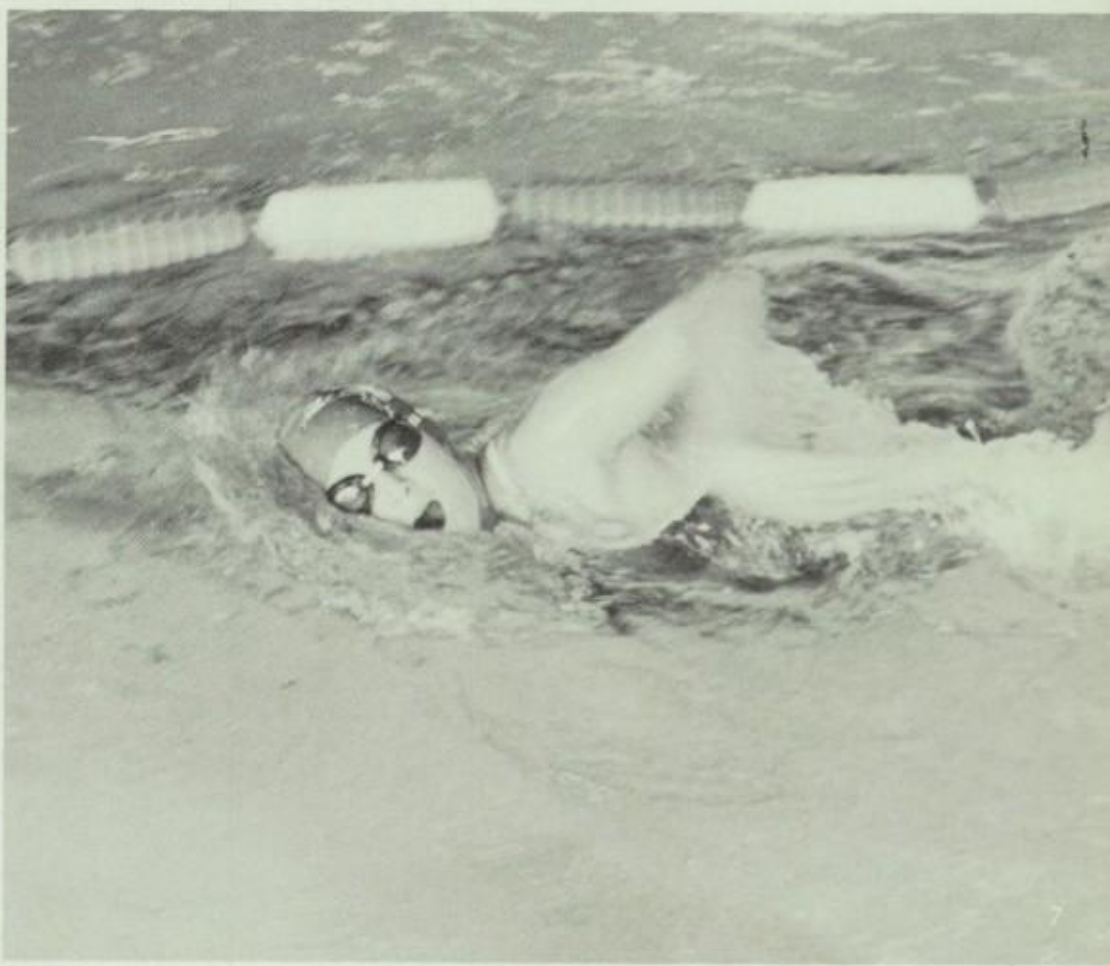

A close dual meet win over Lindbergh (83-89) paves the way for one of the best seasons ever.

Captains Tina Bunch and Lori Osborne lead the 1979 team along with the outstanding coaching abilities of Head Coach, JoEllen Hathaway and Assistant Coach, Ann McGrory.

Tina Bunch, Kathy Terlicker, Cathy Petrowitch, Mary Murphy and Rose Wardian represent the Lancers at the State competition. What's this? An eighth place finish! Right on!

"Just where is my rubber ducky?" sighs Coach Hathaway! C.T. & D.C.

1. Senior divers, Mary Murphy and Rose Wardlan test the strength of the diving board...c-r-a-c-k!! 2. Lori Osborne and Tina Bunch, team captains, dry off in time for a roving photographer. 3. "Swim, don't dog paddle!" instructs Coach JoEllen Hathaway. 4. And they're off...for another win! 5. The 1979 Girls' Swim team. 6. Even the Lancer swimmers eat Wheaties as is evidenced by Theresa Healy, Colleen DeLeo and Mary Carmody. 7. W-I-N is J.F.K.'s motto for success!

Girls' Soccer Team— Pass—Kick—Score!

Pass It! What a head ball! Kick It and Score! Captains Bobbi Jo Crow and Lisa Megale lead the Varsity Girls' Soccer team to 3-6-3 win-loss record.

Melanie Lewis just can't say enough about the experience on the team, "I've met a lot of nice people and our team was really close all through the season. We had a lot of support, which is just great!"

The season is a "splashing" success for the Boys' Varsity Swim team...an 8-1 season record, the N.P. S.L. Championship, second place in Regionals and a SUPER third place at State—best placement ever for the Lancer swimmers!

Who's gonna make State? Lancer qualifiers include Doug Rusk, Eric Lindblad, Mike Hettich, Tim Toombs, Oscar Mraz, Todd Gordon, Paul Cermak and Dennis Anderson. Doug Rusk remains a stroke ahead of the rest in the State High School Pool of Champions for his efforts in the 100 Butterfly...Way to go!!

Head Coach JoEllen Hathaway and Assistant Coach Ann McGrory are there to "kick up" enthusiasm with their always encouraging words: "Go fast!"...what do you mean we left a bathtub ring? T.S.

1. The 1979-80 Boys' Varsity Swim team. 2. "We should have more swimmers like that on our team," thinks Rick Bunch to himself. 3. Steve Pollinger guards the goods at a swim meet. 4. Wrestlers Roll through the Season!

"Roll 'em over... Lay 'em flat... Pin their shoulders to the mat!" The cry of the J.F.K. Wrestling team! An improved season... better quality wrestling and a more experienced team... these factors combine to help the Boys' Varsity Wrestlers "take down" a 12-10 win-loss record. "This year we have more members and more returning Seniors than ever before," says one wrestler.

Bzz... the buzzer sounds... your turn to wrestle... can you pin a win? Screaming fans... screaming coaches-Walt Kostecka (Varsity), Jerry Bentler (J.V.) and Vince Cotroneo (Frosh) yell for a victory. These underclass coaches can yell about their records too... J.V. 13-5 and Frosh 7-2!!

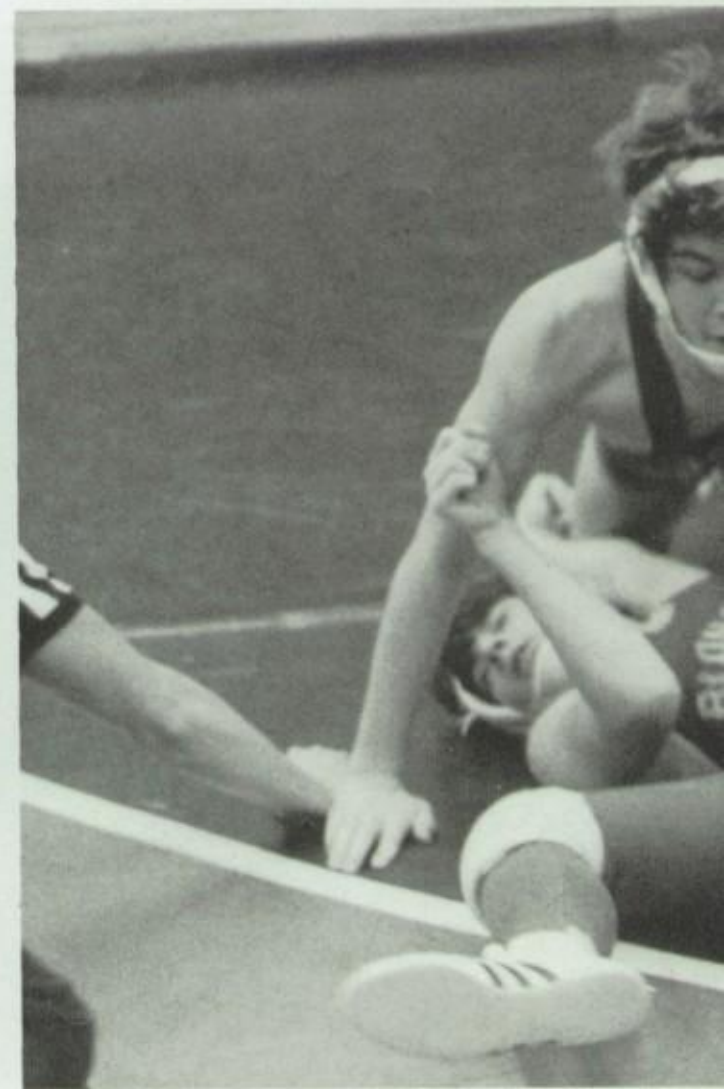

Cradel, Full Nelson... Roll... all the way to regionals with Joe Brule, Shane McFarland and Wayne Shattenkirk and to state with Captian Steve Jacobson!

All News Is Good News With The PROFILE

The PROFILE is J.F.K.'s monthly newspaper publication, under the direction of the editors—Cindy Kelly, Carol Bulter and Chris Bailes.

"The paper is put out by the Journalism class instead of extra-curricular," states Ms. Caldwell, advisor.

With news of school activities, a student reads of his achievements and those of fellow classmates. Feelings and ideas of individuals and the student body are expressed in editorials and features.

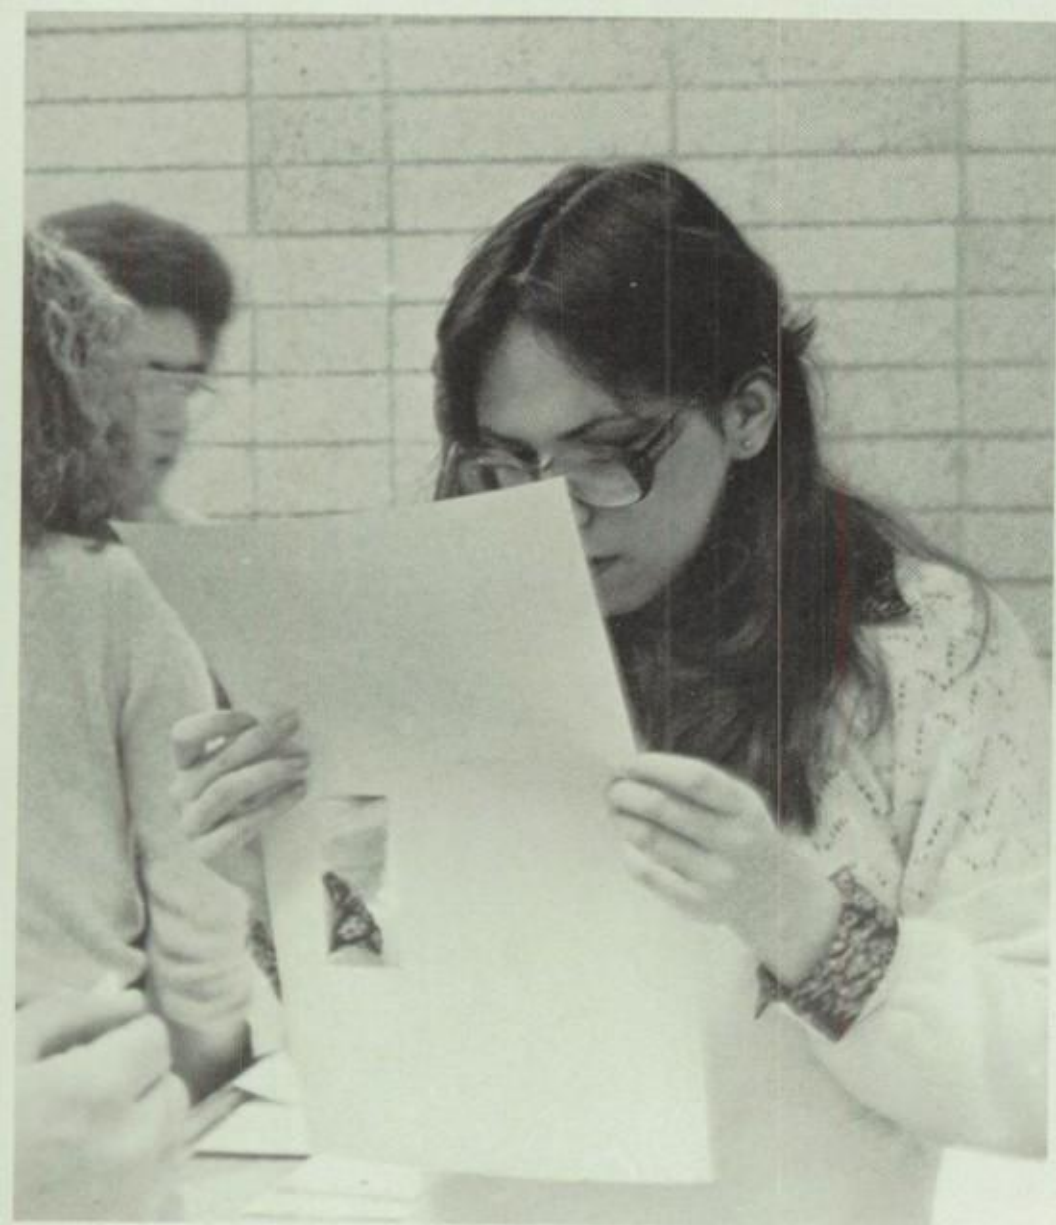

"It's a challenge to try to put out current and quality news," says Cindy Kelly.

Dennis Anderson and members of the yearbook photography staff provide the needed pictures. Nothing is too good for the PROFILE—even Sonic's Coach Lenny Wilkens wanted to get into the act with his consent for an interview by a PROFILE reporter! Imagine that—a super coach and a super paper. C.T.

Whether beginner or pro you have a "LUCKY SHOT" with lessons with the JACK NAGEL Ski School and some great runs that'll "BOONDOGGLE" your mind. A new opportunity for students at J.F.K. . . . Pastoral Ministry . . . "It offers a chance for students to put into effect the faith they learn in the classroom," says

Pastoral Ministry Director Fr. Dennis Kemp.

The student prayer group, daily masses, weekly confessions, seasonal devotions and a highlight for Juniors and Seniors, . . . the Search retreats . . . a weekend of fun and faith where "Birdie on the Perch" is as much a part as penance and prayers.

Dedicated faculty members Fr. Kemp, Mr. Jim Fish, Mr. Dave Beswick and Sr. Maureen Pryor make up the team that strives to make Kennedy students more aware of their Christianity.

Drum And Bugle Corps Drums Up Success

"There's Jim Zorn!" "OOOOOOOOHH!!!" "Stop drooling!" "I think I'm gonna faint!" Seahawks and Dallas half-time show... what a way to spend a day! "Those Seagals aren't too bad either!" First place in four summer parades, including Seafair! Wenatchee Fair, "Rides, rides and more rides!" Winter practices, ... "Brrr;" One half of Saturday and a three hour evening practice per week. "Hold those flags upright!" "Don't drop those rifles;" "The J.F.K. Continentals' Drum and Bugle Corps offers a summer musical opportunity to develop a personal pride of achievement." Director Robert Both, Drum Instructor John Yeager and Manager Dwain Bredl all exclaim that the "Continentials" are simply S-U-P-E-R! Captain Jenny Wilbur is rated S-U-P-E-R-I-O-R by the people in the Color Guard. Those Continentals aren't going 'Coach'... they're going FIRST Class!! T.B.

1. **Bill Shakerley toots his horn at the Seagals** during a pre-game practice. 2. Drum Major, Jack Wheir... "Ahhh... the thought of being free instead of this practice!" 3. The GANG accompanies the Drill Team during the White Center parade. 4. Brook Hamilton "rings his bells". 5. Debbie Surface tries to flag down Jim Zorn. 6. The Continentals, in full force, march their way through the Burien Fourth of July parade.

1. The 1979-80 Varsity Cheer staff: Barb Merrill, Paula Jaramillo, Kathi Maletta, Connie Nelson, Patty Schorsh, Sally Flaherty, Deanne Yellam, Mary Kay Dooley, Maria Storino and Jackie Thompson. 2. Senior cheerleaders line up for a Crest toothpaste commercial! 3. Could this be Connie Nelson and Bill Heeney at an All City dance? No, it's the "Greased Lightnin'" routine during the Nostalgia Day assembly. 4. When Yell Queen Maria Storino cheers, everyone listens! 5. Sally Flaherty looks at the scoreboard and what does she see... Kennedy Lancers in the lead! 6. The Varsity Cheerleaders await the arrival of the Mighty Lancers! 7. "I think I ate too much for lunch!" exclaims Patty Schorsh before the Halloween assembly.

"Move Over Cowgirls! Here We Come!"

"Once More! Ready, okay!" Yell Queen Maria Storino leads the way. "More enthusiasm and SMILE!" directs advisor Ms. Melanie Batt.

Summer camp and awards, flower sales, pins, programs, games and matches ... all part of Varsity Cheer.

Ten girls make up this talented cheer staff, representing J.F.K. at all the Lancer sporting events throughout the year.

"Greased Lightnin'"; Halloween—how sweet it is with the FAT GIRLS; the Homecoming "Main Event" and the "Stripper"—Marty, take it all off!" What's that? J.F.K. is number ONE!

Senior members Deanne Yellam, Jackie Thompson, Mary Kay Dooley and Maria Storino cheer J.F.K. on to victory.

Watch out Dallas Cowgirls, the Lancers are "going up to the top 'cause they can't be stopped"! K.D. & J.D.

J.V. and Frosh Staffs Cheer Here too!

"All right outa-sight we're DYNAMITE!" First place at cheer camp ... SUPERIOR rating ... capturing the Dynamite award gets the 1979-80 J.V. Cheerleaders off to a BANG! These girls, fired up by Yell Queen Theresa Emond, have a BLAST at camp and bring that enthusiasm back to IGNITE the student body.

"Bang Bang gotcha yah!" The halls of J.F.K. echo with the chants all summer long ... practice that stunt one more time ... Assemblies, football games, selling buttons and stickers ... and the arrival of the Frosh Cheer staff as the Frosh hoopsters take the court. Yell Queen Joy Lane leads extra long practices after school to develop that Lancer style ... "SP-IR-IT!"

These girls are shootin' for the sky as one member says "First Frosh Cheer, then J.V., then Varsity ... then ... the SEAGALS!?" S.G. & D.H.

1. The 1979-1980 Frosh Cheer Staff: Marcy Calkins, Tina Gai, Yell Queen Joy Lane and Lauri Nelson. **2.** Theresa Emond and Margie Kord tango during a J.V. time out. **3.** The 1979-1980 J.V. Cheer Staff: Yell Queen Theresa Emond, Bridgett Thompson, Margie Kord and Jamie Rice.

Lancer Clubs

Lead The J.F.K. Way

"We do the mash... and it's a graveyard smash!" Performing at assemblies, painting posters, sponsoring contests... the Pep club... its members live up to its name... Powerful enthusiastic people!

President Patsy Riley leads this gang who liven up the halls of J.F.K. "Are the posters ready for this week's game?"

Hard at work after school... anyone can join... but watch out for wet paint!!... and if you've earned a letter in a sport at J.F.K.... you're already a part of the Letterpersons' club.

President Jim McConville, Vice-President Mike Velling, Secretary Chris Pollinger and Treasurer Lisa Falsetto give their members a "workout" with activities of all sorts! Mr. Bob Bourgette, advisor warns: "keep your coats on... or we'll raffle them off"! S.G.

1. **President Patsy Riley organizes** another Pep Club meeting. 2. The Pep Club does the Monster Mash at the Halloween assembly 3. Who makes the posters for all of J.F.K.'s events... the PEP CLUB! 4. "Officer, I'm positive that the person who took my nerf football is the one in the middle (advisor Mr. Bourgette) and not Mike Velling, Lisa Falsetto, Chris Pollinger and Jim McConville!"

Not The Same Routine For Our Drill Team

"9, 10, 11, 12,..." "COUNT!" "Stay on Beat!" "LEFT ... LEFT ... LEFT!" "TWEET!" "STOP!"

Early morning practices during the summer months and long after school practices in winter ...

"TABLES!"

First place in all the summer parades including Seafair ... dreams of a SUPERIOR at competition! What else could you ask for?—Except No More Dippity-doo!

Assemblies, halftimes, guardian angels ... the list goes on ... "13, 14, 15, 16!" "When can I find time for homework??"

Captain Patti Sherman and co-captain Wendy Toth "Sparkle and Shine" as they organize fund raisers including bake sales, car washes and Santa Clause pictures. "Get those KICKS UP!" "Be able to split by next week!" "Make it Sharp ... Turrrn ... Headsnap!"

Advisor Steve Lequire does an EXCELLENT job his first year at J.F.K. and says "It's great to GUIDE this SUPERIOR team!" But the important question is ... "Do we have to wear our PONY SHOES for THIS assembly too?!!?" T.B.

1. The Drill Team "Don't Look Back" while waiting their turn in the assembly. 2. The 1979-1980 Drill Team. 3. Marie Sullivan and Tracy Williams suddenly become "modest" in front of the Seniors during an assembly. 4. Drill Team psyches up for the homecoming halftime. 5. Captain Patti Sherman and Co-Captain Wendy Toth put the Drill Team's "buns" in place before a summer parade. 6. The Drill Team is "off to see the wizard" at the Halloween assembly.

CONCLUSION

We are each and we are all
 We are everyone the great and the small
 We are the expected we are the past
 Present and always
 We are the leaders and the led
 We are the masters we are the slaves
 We are the beginning and the end
 We are the players and the game
 We are the remembered and the forgotten
 We are the laughter and the tears
 For we are here together
 In the circle touching and touched
 For we are all.

Remember St. Pauline?
Paola? Early plays?
The mouse? Ms. Solon?
So much we've gone
through! I'll always
appreciate your magazines
& magazine knowledge. I
know what I want to
read now! I hope to
see you in the future.
Best of luck,
Love

Well I really
don't know what
to say. I can say
that I am messing
up your dear white page.
But enough of that. It has
really been nice getting to know. I can't remember
you how we met, all I can remember is
going out to lunch when I was working at the
I R S 2 years ago. I hope that you find what you
are looking for out of life and also that you have
fun during your college years. I feel that we
grown apart. This last year but I want you to know
that I still consider you a friend and I hope that
we meet again soon.

Dear Glen —

So now, finally, four years of Kennedy are over. Time I didn't know you in Freshman year, I won't talk about it. I remember that I first met you in P.E. Sophomore year. You, Steve, and Tom Kobe seemed to have been friends at that time. I can't remember your schedule, but I think that that was the only class I had you in. Remember all those notes we passed in health & mental health. We always used to meet in the Piano room during break. Then came Junior year. You were in some of my religion classes. Remember Logic? And Advanced Algebra? Those were probably the high points of our friendship. And in Break we always met in Sr. Francis' room, or the library. I am sorry that our friendship lessened this, our Senior, year. You are a very interesting person, with interesting ideas. In fact, you are somewhat of an aesthete (spelling?), liking good cooking, clear designs, books etc. Somehow that didn't work for me though. The reason is that you are a college-type, while I was still high-school. I think you will succeed in college, because you are talented. Just force yourself to do homework. I think someday you can become a very good architect. You have the mind for it. Try to remember the good days, and

Glen -

I'm the first to sign your annual?! Boy, this is an honor. I'll do my best to fill up space of this page. Remember Mac's English Class 1st period sophomore year? Then you'll remember the conversations with you, Don, myself, and of course, Mr. Mac. I was there that I really came to know you as a person, and let's not forget those "art magazines." (Really, now Glen). You were then, and still are, the only guy I know that is an avid reader of the Architectural Record. It was then I really got into recorded music, and I can't say enough about how appreciative I am about all the albums you loaned me. (By the way, I still need Chicago II). Junior year comes after sophomore year, right? Well, we still got to talk, but we didn't have each other in any classes. I don't know about you, but junior year was a real bear, with Sither and Solon et al. In case you didn't know, I didn't like Sr. Frances the teacher one bit, but Sr. Frances the person was okay. Mother Solon? Well, let me tell you, Machut is just not in the same league as Solon. I mean, what does Machut have that comes close to Patsy's Elwah Commandos? Moving along to senior year, the above-mentioned Physics teacher has been the only less-than-bright spot this year. (at least for me, anyway). I bet we never forget Mr. Seitz as the Ideas in It, class, or Mr. Hesselbrock and the "weirdo hobbie-jerk of the mind. But enough about school. I really must say that you definitely are one of the best friends I've had and still have at Kennedy. You have definitely played a big part in making these four years of high school most enjoyable. You're a real "fan-out" person, who is very open, enthusiastic and intelligent. Best of luck next year at the UW, and your plans to remodel the library. I hope that you become a great architect someday (move over, Frank Lloyd Wright), I'll be going to Oregon State University in Corvallis, with hopes of getting a degree somewhere in the sciences. Stay cool and work hard this summer, and hopefully will be able to do something (maybe take in a concert or two?) when we're not working. Again, this has been a great four years, and my wish to you is that you have many, many, more. Well, I think I've written enough. Did I do all right. See ya, good friend.

Steve Keil '80

Glen—

I feel uneasy marring this gorgeously "virgin white" page—it makes me feel malicious and I'm not malicious, am I? Ha, ha! Anyway, I've known you for 4 years now, direct from Sister Pauline's when you used to sit in front of me, and Huck's Algebra I class when I sat in front of you. In all this time, I've always felt that you knew a little more than everyone else but I couldn't put my finger on it. I think I know what it is now—you, like me, have never really "fit" into the high school scene because we are upon the issues, informed while at the same time a little introverted and closed. I'm glad I took the time to figure out that we are alike in so many ways. I'm sorry that it took me so long. I wish you the best of luck and happiness always. May good things come from great inward thought.

Take Care—

Cindy Kelly
